

Business Registration Checklist

Introduction

This checklist provides the required documents for Business Registration in India, particularly for private limited companies. Requirements may vary for other business types like LLPs or partnerships. For personalized assistance, contact our experts.

1 Required Documents

- **Identity Proof:** Aadhaar, passport, or drivers license of directors or owners.
- **Address Proof:** Utility bill or rent agreement for directors and registered office.
- **Passport Photos:** Recent photographs of directors or owners.
- **MOA & AOA:** Memorandum and Articles of Association for companies.
- **NOC from Property Owner:** No Objection Certificate for the registered office premises.

Notes

- Requirements vary by business type (e.g., LLP agreement for LLPs, partnership deed for partnerships).
- DSC (Digital Signature Certificate) and DIN (Director Identification Number) are handled during the process.
